

Russian olive (*Elaeagnus angustifolia*) Biology, Control, and Impacts Reference List

Caplan T. (2002) Controlling Russian Olives within Cottonwood Gallery Forests along the Middle Rio Grande Floodplain (New Mexico). *Ecological Restoration* 20(2):138-139.

Comparisons of Sites Infested and Not Infested with Saltcedar (*Tamarix pentandra*) and Russian Olive (*Elaeagnus angustifolia*). Author(s): John G. Carman and Jack D. Brotherson. Source: *Weed Science*, Vol. 30(4): 360-364. (July, 1982) Published by: Weed Science Society of America and Allen Press Stable URL: <http://www.jstor.org/stable/4043625> Accessed: 04/09/2008

Relationships between Russian Olive and Duck Nest Success in Southeastern Idaho. Author(s): Randall J. Gazda, Randell R. Meidinger, I. J. Ball, John W. Connelly. Source: *Wildlife Society Bulletin*, Vol. 30(2): 337-344. (Summer, 2002) Published by: Allen Press Stable URL: <http://www.jstor.org/stable/3784489> Accessed: 04/09/2008

Biology, Ecology and Management of *Elaeagnus angustifolia* L. (Russian Olive) in Western North America. Author(s): Gabrielle L. Katz, and Patrick B. Shafroth. Source: *Wetlands* Vol.23, No.4, pp. 763-777 (December 2003) Published by: The Society of Wetland Scientists.

Naturalization of Russian-Olive: Implications to Rocky Mountain Wildlife. Author(s): Fritz L. Knopf and Thomas E. Olson. Source: *Wildlife Society Bulletin*, Vol. 12(3): 289-298. (Autumn, 1984) Published by: Allen Press Stable URL: <http://www.jstor.org/stable/3781997> Accessed: 04/09/2008

Russian Olive Invasion into Cottonwood Forests Along a Regulated River in North-Central Montana. Author(s): Peter Lesica and Scott Miles. Source: *Canadian Journal of Botany*, Vol. 77(8): 1077-1083. (1999) Published by: NRC Canada.

Natural History and Invasion of Russian Olive Along Eastern Montana Rivers. Author(s): Peter Lesica and Scott Miles. Source: *Western North American Naturalist*, Vol. 61(1): 1-10. (2001)

Beavers Indirectly Enhance the Growth of Russian Olive and Tamarisk Along Eastern Montana Rivers. Author(s): Peter Lesica and Scott Miles. Source: *Western North American Naturalist*, Vol. 64(1): 93-100. (2004)

Plains Cottonwood's Last Stand: Can It Survive Invasion of Russian Olive into the Milk River, Montana Floodplain? Author(s): Cheryl M. Pearce and Derald G. Smith. Source: *Environmental Management*, Vol. 28(5): 623-627. (2001) Published by: Springer-Verlag New York Inc. DOI: 10.1007/s002670010248 Accessed: 04/09/2008

Germination and Establishment of the Native Plains Cottonwood (*Populus deltoides* Marshall subsp. *monilifera*) and the Exotic Russian-Olive (*Elaeagnus angustifolia* L.) Author(s): Patrick B. Shafroth, Gregor T. Auble and Michael L. Scott. Source: *Conservation Biology*, Vol. 9(5):1169-1175. (October, 1995) Published by: Blackwell Publishing for Society for Conservation Biology Stable URL: <http://www.jstor.org/stable/2387054>. Accessed: 9/09/2008.

History, Biology, Ecology, Suppression and Revegetation of Russian-Olive Sites
(*Elaeagnus angustifolia*) Author(s): Mark Stannard, Dan Ogle, Larry Holzworth, Joe
Scianna, Emmy Sunleaf. Source: USDA Natural Resources Conservation Service,
